FREE FLIGHT SCALE

The Free Flight Scale Championships were held during the May Bank Holiday, so on Saturday and Sunday evenings commencing at 1800 there will be a non-Championship Free Flight Open Flying Only competition. Four rounds will be flown each evening and the winner will be the competitor who scores the best two flights over both days. The event will be flown from an area of the runway near the R/C Scale flightline, but depending on the weather conditions the launch point and the timings may be subject to change.

Prize-givings are held on each flightline. Please ask event organisers for the times of those you wish to attend.

DEPENDING ON WEATHER CONDITIONS,

ALL CONTROL LINE CLASSES & TIMES ARE SUBJECT TO CHANGE.

If in doubt, then ask the appropriate Contest Director whose decision is final.

Control Line prize giving will begin at approximately 17.00 in the main Team Race circle or, if the weather is very bad, in the hangar.

Please Note:

- **Carrier Deck** is located on the grass to the west of Combat.
- **Handicap & Vintage Speed** will share a circle for 2017 and run all three rounds on Saturday & Sunday and only Round 3 flights on Monday.
- **F2C Team Race** will run only three rounds over the Sunday & Monday and the Final scheduled for 16.20 on the Monday.
- **Novice British Goodyear** will only run at the CD's discretion if there are sufficient novice entries.
- **Barton B** rounds & finals are run in Circle 2 – the Vintage Team Race circle and will finish before the scheduled Team Race finals in Circle 1 begin.
- **VTR finals** are run in Circle 2 – the Vintage Team Race circle.
- **Mini Goodyear**, rounds & finals, take place in the grass circle just south of the Team Race circles.
- **Check all the flight times on the day.**
